Subject: Fw: New Bedford Harbor question

Karen tried to get in touch with Marybeth about metals and air monitoring, Elaine where did you leave off with Karen about this after that Brooklawn mtg? I'm happy to call her and reiterate.

Marybeth,

For over a month now, I have requested this info from that department namely, Elaine Stanley, and have received nothing! That is why I thought you could help me!

Karen

Hello- I received your voice mail request regarding air emissions from the New Bedford Harbor dredging and forwarded it to the Hazardous Waste and Removal Office that handles clean-ups at Superfund sites. Jeanethe Falvey is the Community liason for this site and should respond to your request.
